[PROCUREMENT OPPORTUNITIES MATCHMAKER](#)

The matchmaker is a speed-networking event that gives small-business owners the opportunity to market their products and services one-on-one to many government agencies and prime contractors in a short amount of time. The cost to participate is \$50, which includes lunch. Preregistration is required because appointments are scheduled in advance.

The Alabama PTAC Program is a specialty program of the Alabama Small Business Development Center Network, funded in part through a Cooperative Agreement with the U.S. Small Business Administration. Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance.
