The University of South Alabama Department of Earth Sciences invites applications for a tenure track (9 month) Assistant Professor position in Physical Geography. The successful candidate must have a Ph.D. in Geography at the time of appointment. Excellence in undergraduate teaching and an active research agenda are expected. Skills in GIS and/or Remote Sensing are advantageous. While teaching other courses, the candidate will assume responsibility for one potentially large introductory class in Physical Geography each semester (Atmospheric Processes and Landscape Processes). The candidate selected for this position must meet eligibility requirements to work legally in the United States and must be able to communicate effectively in English. The position begins August 15, 2015. Applications should include a cover letter, a statement of research and teaching interests, a curriculum vita, official transcripts (sent directly from the schools attended), and three original letters of recommendation (sent directly from the referees).

All materials should be sent to Dr. Roy Ryder, University of South Alabama Earth Sciences Department, 5871 USA Drive N., Room 136, University of South Alabama, Mobile, AL 36688. Review of applications will begin on January 26, 2015 and continue until the position is filled. The University of South Alabama is an Equal Opportunity Employer–Minorities/Females/Veterans/Disabled.
