

WHY SHOULD I USE PROJECT SITES

Below is a list of just a few great reasons for students, faculty and administrators/staff to use Sakai project sites.

For Students

- Work on group project and presentations
- Support of a student study group
- Support of a student organization
- Social Networking
- Keep an electronic copy of work from various courses
- Monitor status of theses and dissertations

For Faculty

- Course development
- Professional development
- Share resources for courses commonly taught
- Support committee work/faculty senate

Administrators/Staff

- Maintain group email lists
- Shared resources for forms and files
- Professional development
- Support committee work
