

HOW TO DOWNLOAD I>CLICKER INTEGRATION FILES

Updated 08/27/13

This How-to-Guide will show you how to (1) unzip and download i>clicker integration files and (2) copy i>clicker integration files to your i>clicker flash drive.

1. Go to www.usailc.org/iclicker
2. Click on the appropriate link under *Downloads*:
 - i>clicker Windows 6.3.0
 - i>clicker Mac Files 6.3.0
3. Open the folder

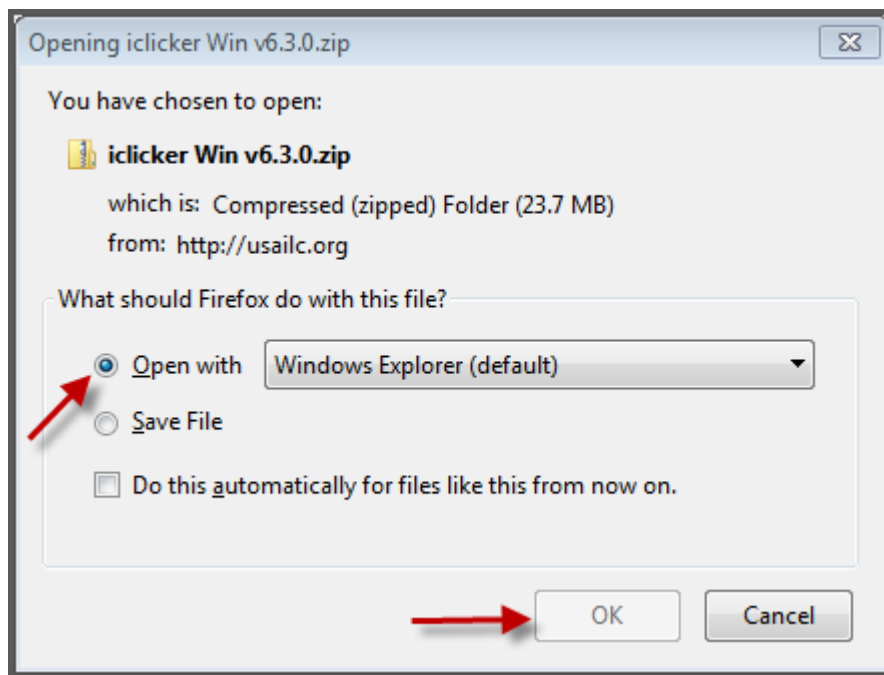

Figure 1. Open iclicker zip file window

4. Use mouse to double click on folder *iclicker Win v6.3.0*

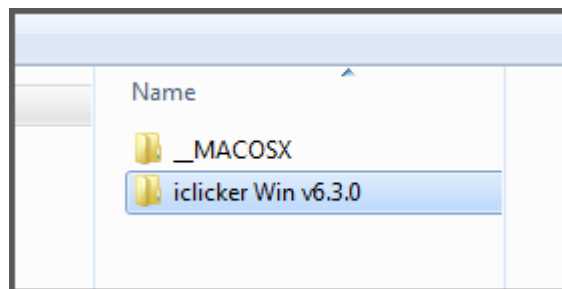

Figure 2. *iclicker Win v6.3.0* folder

5. Open the *Resources* folder

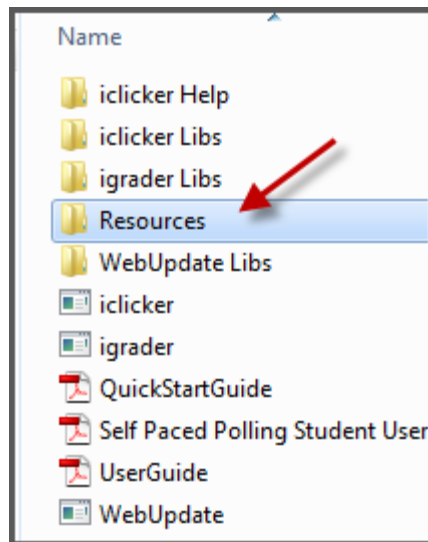

Figure 3. **Resources** folder

6. The i>clicker Sakai integration files will be displayed. Use mouse to click on the first file then press and hold shift key while using mouse to click on last file in the list of files. This will highlight the entire file list.

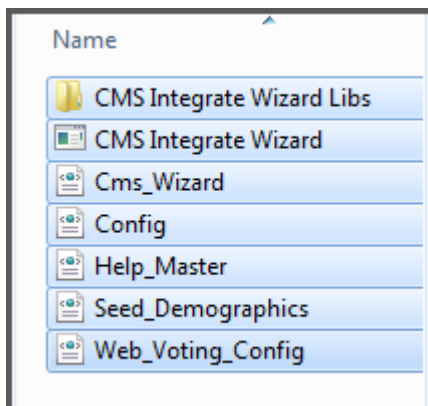

Figure 4. i>clicker Sakai integration files

7. Click *Extract all files*

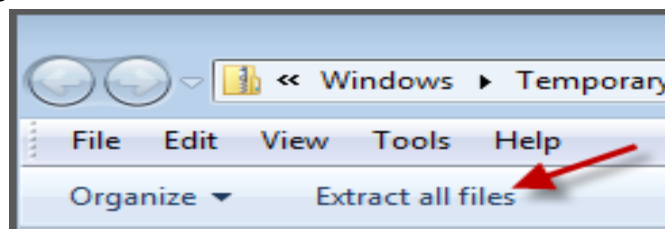

Figure 5. ***Extract all files*** link

8. Use the default destination for files provided or enter another destination in box. Make note of file destination. Leave checkbox checked for “*Show Extracted files when complete*”
Click *Extract*
