Waitlisting

Office of the University Registrar

Departments have the option of creating a waitlist for their sections. To create a waitlist, click the Section Enrollment Information tab of SSASECT, enter the Waitlist Maximum of 5 and Save. Schedulers are allowed to use Waitlist option up to the last week of registration.

Waitlist Facts

Emails – Once a seat becomes available, an email will be sent to the student at the top of the waitlist.

Notification –Students must register within 24 hours of receipt of the email. Registration from the waitlist is not automatic.

Registration – If the student has not registered within 24 hours, the student is dropped from the waitlist.

Schedule Changes

****Important***

If the Waitlist Max Cap is updated during registration, the following will occur:

- Raising Enrollment Max will IMMEDIATELY send notifications to appropriate waitlisters
- ✓ Lowering Enrollment Max when there is a pending notification will prevent the notified student(s) from registering.

What Student Will See In PAWS

When registering for a class that has reached capacity. The waitlist option will be displayed in the registration screen.

IMPORTANT! Click here to view policies regarding canceling your registration and schedule adjustment.

Be sure to click the Submit Changes button to finalize changes to your schedule.
