M. Scott Bannon
Director
MARINE RESOURCES DIVISION

Our mission is to manage the State's marine fishery resources through research, enforcement, and education for the maximum benefit of the resources and the citizens of Alabama.

Christopher M. Blankenship
COMMISSIONER

Edward F. Poolos
DEPUTY COMMISSIONER

Employer: Alabama Department of Conservation and Natural Resources / Marine Resources Division (ADCNR/MRD)
Location: 2N Iberville Dr., Dauphin Island, AL 36528
Position: Seasonal Laborer
Pay Rate: \$9.56/hr

No State Benefits
Limited to no more than 29 hrs / week

Responsibilities: The incumbent will be expected to participate in fisheries surveys utilizing various sampling gears (e.g., otter trawl, gillnets, seines, etc.). The incumbent will be responsible for processing samples by enumerating, identifying, measuring/weighting, and dissecting marine finfish, crustaceans, and shellfish. Responsibilities will also include communicating with recreational and commercial anglers to collect harvest and trip data as well as selling tags to participants in the oyster fishery.

The Seasonal Laborer position with ADCNR/MRD is an entry level position that offers experience in a wide range of skills utilized in the field of marine sciences. Incumbent must have a valid driver's license and be willing to work weekends.

Applications can be submitted to Craig Newton (craig.newton@dcnr.alabama.gov), delivered in person at the above address or faxed to 251-861-8741 for consideration of employment.
