

UNIVERSITY OF SOUTH ALABAMA

College of Nursing  
Doctor of Nursing Practice Program  
Verification of MSN Specialty Hours

Students who have completed their MSN degree or Post-Graduate Certificate and will complete the DNP at the University of South Alabama are required to submit this Verification of Specialty Hours form in order for the Associate Dean of Academic Affairs to determine if additional clinical hours are needed for the DNP program.

The total number of clinical hours between the MSN degree and DNP degree must be at least 1000 hours to meet the accrediting requirement from the Commission on Collegiate Nursing Education (CCNE).

Please enter your name, University, and specialty area; then submit this form to the Dean or Graduate Program Director from the university where you completed your MSN or Post-Graduate certificate program. Have them complete the information below and mail the original to the address below. They can also scan the signed document and email it to [condnp@southalabama.edu](mailto:condnp@southalabama.edu).

Students who completed their MSN or Post-Graduate Certificate at the University of South Alabama should complete the same information and then scan and email it to [condnp@southalabama.edu](mailto:condnp@southalabama.edu). We will complete it and add to your file.
